#### Purpose

With offices in Baltimore, Annapolis, Cambridge and BWI International Airport, U.S. Fish and Wildlife Service special agents and wildlife inspectors ensure compliance with federal wildlife laws protecting endangered plants and animals, migratory birds, certain marine mammals, fishes and other species in Maryland. They also carry out U.S. enforcement obligations under international agreements. These laws and agreements include:

*African Elephant Act*  
*Airborne Hunting Act*  
*Archeological Resources Protection Act*  
*Bald and Golden Eagle Protection Act*  
*Endangered Species Act*  
*Exotic Wild Bird Act*  
*Lacey Act*  
*Marine Mammal Protection Act*  
*Migratory Bird Conservation Stamp Act*  
*Migratory Bird Treaty Act as amended*  
*National Wildlife Refuge Act*  
*Recreation Act*

#### Enforcement Activities

##### *Wildlife Inspectors*

- Check documents, licenses and permits at ports of entry.
- Inspect shipments to ensure that protected species are not illegally imported or exported.

##### *Special Agents*

- Investigate fish and wildlife deaths caused by contaminants.
- Investigate alleged violations of federal fish and wildlife laws. protecting migratory birds, bald eagles and threatened and endangered species.
- Investigate illegal interstate commerce in fish and wildlife and their products.
- Work undercover, conduct surveillance, make arrests and prepare court cases.
- Assist in resolving law enforcement problems on national wildlife refuges.
- Make presentations about wildlife law enforcement to school groups and respond to inquiries about federal wildlife laws.

#### Highlights

Special agents and wildlife inspectors are influential in enforcing federal laws and regulations pertaining to the import and export of wildlife and wildlife products.

Special agents work closely with the Maryland Natural Resources Police to protect fish and wildlife resources.

*The mission of the U.S. Fish and Wildlife Service is working with others to conserve, protect and enhance fish, wildlife, plants and their habitats for the continuing benefit of the American people.*
